

Over one hundred years ago, Stickley first introduced Mission furniture. These simple and sturdy designs quickly became an unrivaled standard of both exceptional beauty and careful construction. Today, Stickley continues this legacy by crafting both new and reissued designs in a celebration of the solid, comfortable and honest furniture of the American Arts & Crafts movement.

STICKLEY®

MISSION COLLECTION

DINING IN STYLE...

For your intimate family gatherings, a dinner party with the best of friends, or even the simplicity of a quiet candlelit dinner for two, Stickley is there for your most memorable moments.

*"I wanted quality.
My wife wanted style.
I wanted affordable furniture.
My wife wanted furniture that was timeless. I wanted pieces that were strong and durable, my wife wanted something our guests would be comfortable in.
We found all that we wanted in Stickley."*
